REMARKS

Please destroy all previous lists.

All records listed in this catalogue are *original records*, unequalled for brilliancy, clearness, and general excellence. We do not handle duplicate records.

In ordering please state clearly, whether you desire records for horn, or slot purposes, or wax tubes.

Our new catalogue has been re-numbered. To guard against errors, it would be well to give both the names and numbers of the selections ordered.

In addition to the records listed in this catalogue, we can also furnish an endless variety of vocal, instrumental and miscellaneous records of which no catalogue can be made. We will gladly fill orders for such records, making selections according to our judgment.

To facilitate the prompt filling of orders customers are requested to give us the privilege of substituting another for any specific selection which at the time may not be in stock. Unless otherwise ordered we will exercise this liberty.

Special records can be furnished to order.
